A Binding Instrument of Personal Accountability, Witnessed Before the IMSS Group Chat

This Covenant of Permanent Abstinence (the "Covenant") is entered into and made effective as of the **29th day of October, 2026** (the "Effective Date"), by and between **Samuel Wang Xie** (hereinafter the "Covenantor"), and the members of the group chat known as IMSS (hereinafter, collectively and severally, the "Witnesses").

RECITALS

WHEREAS, the Covenantor has engaged in the playing of the online video game *Realm of the Mad God*, including its successor client *Realm of the Mad God Exalt* (collectively, "RotMG"), for durations routinely approaching or exceeding eight (8) hours per day;

WHEREAS, the Covenantor freely acknowledges that said conduct is excessive, detrimental to the Covenantor's health, academic standing, athletic performance, and general well-being, and constitutes an addiction;

WHEREAS, the Covenantor is a member in good standing of the California Institute of Technology NCAA Division III Swimming & Diving Team (the "Team"), and holds said membership in the highest regard;

WHEREAS, the Covenantor desires to permanently cease all engagement with RotMG and recognizes that public accountability and a consequence of genuine gravity are necessary to secure that outcome; and

NOW, THEREFORE, in consideration of the Covenantor's own health and future, and the continued friendship and vigilance of the Witnesses, the Covenantor hereby agrees as follows:

ARTICLE I — DEFINITIONS

1.1 **"Playing RotMG"** shall mean any of the following acts, whether performed for one second or for many hours: (a) launching, opening, or running any RotMG client on any device; (b) logging into any RotMG account, whether owned by the Covenantor or by any other person; (c) creating a new RotMG account, including any alternate ("alt") or so-called "mule" account; (d) controlling any RotMG character by any means, including remote access or the account of a third party; and (e) participating in any RotMG trade, sale, or exchange of in-game items or currency.

1.2 **"Caught"** shall mean the existence of credible evidence that the Covenantor has engaged in Playing RotMG on or after the Effective Date, including but not limited to: a screenshot or photograph; Steam or Exalt launcher activity; account activity records, including those publicly visible on RealmEye or comparable services; eyewitness testimony of any Witness; or the Covenantor's own admission.

1.3 **"Violation"** shall mean any single instance of Playing RotMG after the Effective Date. There shall be no de minimis exception, grace period, "one last run," or "just checking my vault."

ARTICLE II — COVENANT OF ABSTINENCE

2.1 The Covenantor hereby solemnly and irrevocably covenants that, from the Effective Date forward and in perpetuity, the Covenantor shall never again engage in Playing RotMG.

2.2 Within twenty-four (24) hours of the Effective Date, the Covenantor shall: (a) uninstall all RotMG clients from every device in the Covenantor's possession or control; (b) remove RotMG from the Covenantor's Steam library or launcher, where possible; and (c) post confirmation of the foregoing, with screenshots, to the IMSS group chat.

2.3 The Covenantor shall not seek out any loophole, technicality, or creative reinterpretation of this Covenant. The Witnesses shall resolve any ambiguity, and the spirit of this Covenant shall prevail over its letter.

ARTICLE III — CONSEQUENCES OF VIOLATION

3.1 **Penalty.** In the event the Covenantor is Caught committing a Violation, the Covenantor shall, **immediately and without delay, objection, or negotiation, resign from the California Institute of Technology NCAA Division III Swimming & Diving Team.**

3.2 **Letter of Resignation.** Upon a Violation, the Covenantor shall sign and date the Letter of Resignation attached hereto as **Exhibit A** and deliver it to the Head Coach of the Team within twenty-four (24) hours of being Caught. The Covenantor shall post proof of delivery to the IMSS group chat.

3.3 **No Defenses.** The Covenantor expressly waives any defense, excuse, or plea of mitigation, including but not limited to boredom, stress, finals, a friend's invitation, a seasonal event, a limited-time item, or the claim that the session "didn't count."

3.4 **Finality.** The penalty set forth in this Article is final. The Covenantor acknowledges that its severity is intentional and has been chosen precisely because the Team matters deeply to the Covenantor.

ARTICLE IV — DUTIES AND RIGHTS OF THE WITNESSES

4.1 The Witnesses are hereby authorized and encouraged to monitor, inquire into, and report upon the Covenantor's compliance with this Covenant at any time.

4.2 Any Witness possessing credible evidence of a Violation shall present said evidence in the IMSS group chat. Upon such presentation, the Covenantor shall respond truthfully within twelve (12) hours.

4.3 The Witnesses shall offer the Covenantor support, encouragement, and alternative activities, and shall refrain from tempting, enabling, or inviting the Covenantor to engage in Playing RotMG.

ARTICLE V — GENERAL PROVISIONS

5.1 **Entire Agreement.** This Covenant, together with Exhibit A, constitutes the entire agreement regarding its subject matter and supersedes all prior promises, including any made at 3:00 a.m.

5.2 **No Amendment.** This Covenant may not be amended, waived, or revoked by the Covenantor. Any modification requires the unanimous written consent of the Witnesses, posted in the IMSS group chat.

5.3 **Severability.** Should any provision be deemed unenforceable, the remaining provisions shall continue in full force and effect.

5.4 **Nature of Instrument.** This Covenant is a personal accountability agreement, binding upon the Covenantor's honor and enforced by the Witnesses. Its force derives not from any court, but from the Covenantor's word, freely given before friends.

5.5 **Voluntary Execution.** The Covenantor affirms that this Covenant has been read in its entirety, is fully understood, and is executed voluntarily and of sound mind.

IN WITNESS WHEREOF

the Covenantor has executed this Covenant as of the Effective Date first written above.
